Equity markets dip over amended Mauritius tax treaty

Mumbai,
Key Indian indices plunged on Wednesday as an amended tax treaty between India and Mauritius spooked investors amid fears of a massive outflow of foreign capital from the equity markets. Consequently, the key indices of the Indian equity markets provisionally closed the day's trade in the red. The wider 51-scrip Nifty of the National Stock Exchange (NSE) edged down by 38.95 points, or 0.49 percent, at 7,848.85 points. The S&P 500 index, which opened at 25,548.97 points, provisionally closed at 25,597.02 points (at 3.30 p.m.) down 175.51 points or 0.68 percent from the previous close at 25,772.53 points.
